## EDUCATION

**Game Design Diploma** Vancouver Film School GD19 (Oct. 2010 – Oct. 2011) Vancouver  
- Class Representative  
- Awarded G4TV Entrance Scholarship

## PROJECT WORK

**Frank & Beans** Vancouver Film School Game Design Program (Oct. 2010 – Oct. 2011) Vancouver  
- **Narrative Designer**

- Created a theme that compliments the core mechanic
- Designed the story that elicits emotions and blends with gameplay
- Wrote and directed all cinematics and cut-scenes
- Designed a mechanic where the player can press a button to get a vocal response from the player character (hints, jokes, and comments)
- Wrote the script, directed the voice talent, and scripted the feature into the game

- **Project Manager**

- Created a schedule and project plan detailing our strategy from pre-pro to final
- Built team communication by fostering a culture of inclusion and collaboration
- Implemented and maintained the *Agile Software Management* system
- Managed the 'back-log' and 'burn-down' and facilitated sprint meetings

- **Scripted and Designed the Heads Up Displays**

- Created a dynamic HUD using Unity and C#

**Wash & Fold** Independent Sitcom Pilot (Jan. 2009 – Jan. 2010) Toronto  
- **Head Writer / Producer**

- Worked with a team of writers to scribe 3 episodes
- Carried project from idea to completion
- Built team, auditioned and booked talent
- Produced one full episode

## EMPLOYMENT EXPERIENCE

**Associate Producer** Global Comedy Festival (May 2010 – Oct. 2010) Vancouver  
- Consultation and Booking of Local and World Class Talent  
- Local and National Marketing Strategies

**Bartender / Head Barista** Terroni Restaurant (May 2009 – May 2010) Toronto  
- Worked with a close-knit team in a high pressure environment

## TECHNICAL SKILLS

- **Proficient:** Unity, Unreal Development Kit, Photoshop, Maya, Pro Tools, Excel, Word,
- **Working Knowledge:** C#, Flash (AS3), Illustrator
